

SPEAKER BIOGRAPHY

José M. Delgado

José Delgado is President and CEO of American Transmission Co., the first multi-state, transmission-only electric utility in the U.S. Formed in 2001, ATC serves portions of Wisconsin, Michigan and Illinois. Previous to the formation of ATC, Delgado spent 27 years at Wisconsin Electric Power Co. He currently serves on the Edison Electric Institute board of directors and is co-chair of the CEO Task Force on Reliability & Infrastructure Projection. He is chairman of the North American Electric Reliability Corporation's Transmission Owners and Operators Forum, and serves on various other committees within the utility industry.

Delgado graduated cum laude from Marquette University with a bachelor's degree in electrical engineering. He earned a master's degree in electrical engineering from Marquette University and a master's degree in business administration from the University of Wisconsin-Milwaukee.
