### **Bradlee Fons**

In 2006, he organized along with his 16 year old son Justin, the Milwaukee Hybrid Group. Today it is the largest hybrid owners group in North America with over 550 members in 6 states and Canada. The MiHG supports new hybrid owners and promotes the fuel efficient driving of any vehicle through EcoDriving skills. Bradlee is currently developing a program called Drive \$mart America that would train vehicle owners on fuel efficient driving techniques. Bradlee currently drives a 2000 Honda Insight and has achieved over 100 mpg on his daily commutes.
